## **Visa category - Short term study visa**

For the international students the study route would be short term study visa ( Student visitor ) with the duration from 3 months up to 11 months.

### **Admission procedure:**

**Step 1 :** Choose a course

**Step 2 :** Fill in the initial enquiry form ( If not sure and will need further information)

**Step 3 :** Complete the online application form

**Step 4 :** If all necessary information is provided to the college, student will receive an **offer letter** - The offer letter provides the details of admission and has student details in there. The student must check and confirm that the details are correct and true.

**Step 5 :** Once the college receives the confirmation, student can now pay the initial deposit fees. In some cases the student will be asked to pay the full fees where the fees amount is not more than £2000/- .

**Step 6 :** Once the college receives the fees, student will be provided with a **visa letter**. Visa letter is a confirmation of admission at the institute and is an important part of the visa application.

<a href="#">Student support</a>	To find further support information

## **Foundation programme:**

### **Route A**

Student who meet the entry requirements ( especially the English language proficiency of IELTS 5.0 - B1 ) could join the course straightaway by following the above admission process.

### **Route B**

Student who do not meet the entry requirements ( especially the English language proficiency of IELTS 5.0 -B1), need to undertake English language course of varied duration depending upon their existing level ( from 3 up to 9 months).

Once they have gained the required level of English language proficiency they can then join the foundation course.

**Student will be offered undergraduate courses at our partner university while they study their foundation course.**
